Explanatory Note

1. This Index to Proceedings is intended to offer a bibliographical guide to the discussion and documentation of the meetings of the 34th session of the Economic and Social Council, as well as of standing committees or ad hoc committees which met during the session.

2. The index consists of the following parts:

   Part A. Introduction, including check lists of meetings and a description of the composition of the Council and its committees.

   Part B. Agenda, with reference to the relevant subject headings used in Part C.

   Part C. Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussions, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings.

   Part D. Index to speeches. Speeches by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed, with indication of the meeting at which the speech was made. The remarks of the President of the Council and of chairmen of committees are normally not indexed. The speeches of chairmen or rapporteurs of committees are included, however, when they present or explain the reports of their committees to the Council.

   Part E. Numerical list of documents, arranged by document symbols.

3. Official Records and documents

   All summary records of plenary and committee meetings of the Economic and Social Council appear first in mimeographed form. They may be identified by their symbol, which consist of the series symbol (e.g. E/-, E/C.2/-, E/AC.7/-) as indicated in the introduction, followed by SR and number corresponding to that of the meeting (e.g. E/AC.7/SR.453). Summary records of plenary meetings are later printed as separate fascicles in the Official Records series; summary records of committee meetings are issued only in mimeographed form.

   Of the other documents, a few appear only as printed supplements to the Official Records (a fact always noted in this index), but the rest are first issued in mimeographed form. Most of them are subsequently printed in the annexes to the Official Records, where they are grouped into fascicles according to agenda item numbers. The resolutions adopted by the Council, first issued in mimeographed form, are collected in the printed Supplement no. 1 to the Official Records of the session. After their republication in the Official Records, the provisional mimeographed documents are no longer available.

   Printed documentation of this session of the Economic and Social Council may be obtained from authorized sales agents (listed on the back cover of this publication) by requesting:

   Economic and Social Council Official Records, 34th session:
   Meeting -- (specify plenary or committee meeting number) for summary record fascicles,
   Supplement No. -- (specify supplement number) for documents initially issued in this form.
   Annexes, Agenda Item -- (specify agenda item number) for republication of mimeographed documents.
   Supplement No. 1 for resolutions.
