Explanatory Note

SCOPE

1. This index, prepared by the Special Publications Unit of the Technical Operations and Publications Service of the Dag Hammarskjöld Library at United Nations Headquarters, is intended to offer a bibliographical guide to the proceedings and documentation of the 1980 sessions of the Economic and Social Council (organizational, first regular, and second regular and resumed second regular) and of the sessional or ad hoc committees or other bodies that met during those sessions.

ARRANGEMENT

2. The index starts with a general introduction, which lists the members of the Council and officers for the year 1980. An annex at the back of this volume gives numerical lists of the documents issued for the year 1980, of other documents considered by the Council, and of supplements for the year.

3. The index also contains the following parts for each session:

(a) Introduction. Contains checklists of meetings of the Economic and Social Council and its sessional committees;

(b) Agenda. Contains reference to the relevant subject headings used in part (c);

(c) Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussion, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings. Names of delegations are noted in parentheses following the meeting number whenever statements are made on a subject not scheduled as an agenda item;

(d) Index to speeches. Speeches and statements by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed and by name of speaker, with an indication of the meeting at which the speech was made. The speeches of chairmen and rapporteurs of committees are included when they presented or explained the reports of their committees to the Council. Statements and speeches made by private individuals representing an organization to which a hearing was granted are listed under the name of the organization. Statements made by officers of the United Nations Secretariat are listed under the name of the office or department they represented.

RATIONALIZATION OF SYMBOL SERIES

4. Commencing in 1978 certain modifications were introduced in the symbol series of the documents of the Economic and Social Council and its sessional committees, as follows:

(a) The sessions of the Council are formally identified as the organizational, first regular and second regular sessions of a particular calendar year, as prescribed in rule 1 of the rules of procedure of the Council.

(b) Special sessions, including subject-oriented sessions, are numbered consecutively within each year, and are identified as the first special session, (year); second special session, (year); etc.;

(c) Titles of the sessional committees of the Council are known as First Committee (formerly Economic Committee), Second Committee (formerly Social Committee) and Third Committee (formerly Policy and Programme Co-ordination Committee);

(d) Ad Hoc sessional committees may be set up as required; these will be described as ad hoc sessional committees on particular subjects;

(e) Resolutions and decisions are numbered on a yearly basis, resolutions beginning each year with 1 and decisions beginning with 100, and are identified as resolution 1980/1, decision 1980/100, etc.

(f) Supplements to the Official Records are numbered consecutively throughout the year.

5. Symbols of documentation of the Council and its sessional and ad hoc committees or other bodies will consist of combinations as appropriate, of the following elements:

(a) The parent body (i.e., the Economic and Social Council): E/-;

(b) The year of consideration;

(c) Sessional and ad hoc committees or other bodies: C.1, C.2; AC.1, AC.2; WG.1, WG.2; etc.

AVAILABILITY OF DOCUMENTS

6. Summary records of plenary meetings of the Economic and Social Council are issued initially in provisional mimeographed form for limited distribution, and later combined in corrected form in a single printed volume of Official Records for the year. Summary records of sessional committee meetings are issued for general distribution only, with corrections consolidated in a single corrigendum for each committee, issued shortly after each session of the Council. All summary records may be identified by their symbols, which consist of the series symbol, with the number following SR corresponding to the number of that meeting. Therefore the 5th plenary meeting is cited as E/1980/SR.5, while the record of the 10th meeting of the Second (Social) Committee is cited as E/1980/C.2/SR.10.

Of the other documents, a few appear as printed Supplements to the Official Records (a fact always noted in this index), but the rest are issued only in mimeographed form. Resolutions and decisions adopted by the Economic and Social Council in 1980 are collected in printed Supplement No.1 plus addenda as Supplement No.1A, 1B, etc. to the Official Records of that year.

7. Printed documentation of the Economic and Social Council for 1980 may be obtained, or purchased from authorized sales agents, by requesting:
