INTRODUCTION

The Economic and Social Council, under the authority of the General Assembly, is the United Nations organ which co-ordinates the economic and social work of the United Nations and its system of organizations. The Council has 54 members and generally holds the following sessions each year: a short organizational session in New York in January, the first regular session in New York in May, the second regular session in Geneva in July. Throughout the year there are meetings of the Council's committees, commissions and other subsidiary bodies.

The Index to Proceedings of the Economic and Social Council is an annual bibliographic guide to the proceedings and documentation of the Economic and Social Council. This issue covers the year 1988, which includes the documentation of the organizational, first regular, second and resumed second regular sessions and of the sessional or ad hoc committees or other bodies that met during these sessions. The index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

The Index consists of three sections.

The first section contains information relating to organizational matters:

Sessional information, listing Member States and their terms of office as well as the officers of the Council and providing information on rules of procedure and resolutions and decisions;

Subsidiary bodies and organs and programmes related to the Economic and Social Council to which members were elected or appointed during the 1988 sessions of the Council, listing the members and terms of office.

The second section consists of three parts, one for each session which met during the year. Each part is subdivided as follows:

Check-list of meetings, listing the meetings of the Economic and Social Council and its sessional committees;

Agenda, listing matters considered by and brought before the Council and the subject headings under which these items appear in the Subject Index;

Subject index, providing topical access to Economic and Social Council documentation arranged alphabetically by subject and listing documents considered under each item, meetings at which the items were considered and the action taken by the Council;

Index to speeches, providing access to speeches that were made before the Council. The Index is divided into three sections: corporate names/countries, speakers and subjects.

The third section contains consolidated information relating to resolutions, documents and reports:

List of resolutions, listing resolutions adopted by the Council and indicating for each session the resolution number, the subject and the meeting and date when the resolution was adopted;

List of documents, listing documents issued for the year 1988 and providing information on the republication of provisional documents in printed Official Records;

Reports of the sessional committees, listing, by subject, the reports on the items discussed in the committees.

In 1978 certain modifications were introduced in the citation and series symbols of the documents of the Economic and Social Council and its sessional committees. They are as follows:

(a) The sessions of the Council are formally identified as the organizational, first regular and second regular sessions of a particular calendar year, as prescribed in rule 1 of the rules of procedure of the Council;

(b) Special sessions, including subject-oriented sessions, are numbered consecutively within each year, and are identified as the first special session (year), second special session (year), etc;

(c) The sessional committees of the Council are designated as First Committee (formerly Economic Committee), Second Committee (formerly Social Committee) and Third Committee (formerly Policy and Programme Co-ordination Committee);

(d) Ad hoc sessional committees may be established as required and are described as ad hoc sessional committees on particular subjects;

(e) Resolutions and decisions are numbered on a yearly basis. Resolutions begin each year with 1, decisions start with 100. They are identified as resolution 1988/1, decision 1988/101, etc.;

(f) Supplements to the Official Records are numbered consecutively, with Supplements No. 1, 1A and 1B containing the resolutions and decisions adopted during the year.

Symbols of documents of the Council and its sessional and ad hoc committees or other bodies consist of combinations as appropriate, of the following elements:

(a) The parent body (i.e. the Economic and Social Council): E/- ;

(b) The year of consideration;

(c) Sessional and ad hoc committees or other bodies: C.1, C.2, AC.1, AC.2, WG.1, WG.2, etc.

Summary records of plenary meetings of the Economic and Social Council are first issued in provisional form for limited distribution. They are later combined in corrected form in a single printed volume of Official Records for the year.

In accordance with decision 1987/179, the Council decided, for a period of two years, to discontinue the issuing of summary records for its sessional committees: First (Economic) Committee, Second (Social) Committee and Third (Programme and Co-ordination) Committee. Meeting records are, however, provided for the Committee on Economic, Social and Cultural Rights (E/C.12/1988/SR.1-24). These summary records are issued for general distribution, with any corrections to be consolidated in a single corrigendum.

All summary records may be identified by their symbol, which consists of the series symbol followed by SR. and then a number which corresponds to the number of the meeting. The 5th plenary meeting, for example, is cited as E/1988/SR.5 while the records of the 10th meeting of the Committee on Economic, Social and Cultural Rights is cited as E/C.12/1988/SR.10.

Some documents may later be printed as Supplements to the Official Records (and are so indicated in this Index); others are issued only in provisional form.

Resolutions

[E/RES/]1988/4 (E/1988/INF/5)

International Covenant on Economic,
Social and Cultural Rights.

Invites States parties to the
Covenant to follow the recommendations
made by the Committee to address the
problems of non-submission and
extended delays in the submission of
periodic reports, in particular the
need to submit and present the reports
in a timely manner and to complete the
entire cycle of initial reports before
submitting second reports, and
requests the Secretary-General to send
appropriate reminders to those States
parties whose reports are overdue;
endorses the recommendation of the
Committee that States parties be
requested to submit a single report
within 2 years of the entry into force
of the Covenant for the State party
concerned and thereafter at 5-year
intervals, and requests the
Secretary-General to inform States
parties to the Covenant of this
decision; authorizes the Committee to
establish, within available resources,
a pre-sessional working group to meet
for a period of up to one week prior
to each session; requests the
Secretary-General to continue his
efforts under the programme of
advisory services on human rights to
assist States parties in discharging
their reporting obligations under the
Covenant, including the holding of
training courses on the preparation of
reports on the implementation of the
Covenant, and requests the
Secretary-General to advise States
parties of the availability of such
assistance (adopted without vote, 12th
meeting, 24 May 1988).

[E/RES/]1988/5 (E/1988/INF/5)

Rights.

Stresses the importance of avoiding
the erosion of human rights by
derogation and the necessity for
strict observance of the agreed
conditions and procedures for
derogation under article 4 of the
International Covenant on Civil and
Political Rights, bearing in mind the
need for States parties to provide the
fullest possible information during
states of emergency, so that the
justification and appropriateness of
measures taken in those circumstances
can be assessed; invites the
Secretary-General and Member States to
carry out the measures set out in the
annex to General Assembly resolution
41/150 in order to ensure the success
