INTRODUCTION

The Economic and Social Council, under the authority of the General Assembly, is the United Nations organ which coordinates the economic and social work of the United Nations and its system of organizations. The Council has 54 members and until 1991 held the following sessions each year: a short organizational session in New York in January, the first regular session in New York in May, the second regular session in Geneva in July. The rules of procedure of the Council were amended by resolution 1992/2 and from 1992 on, the Council normally holds an organizational session in February in New York and one substantive session, with one "high-level segment" a year; the substantive session takes place in alternate years in New York and Geneva between May and July. Throughout the year there are meetings of the Council's committees, commissions and other subsidiary bodies.

The *Index to Proceedings of the Economic and Social Council* is an annual bibliographic guide to the proceedings and documentation of the Economic and Social Council. This issue covers the year 1992, which includes the documentation of the organizational and resumed organizational sessions, substantive session and the high-level segment and of the sessional or ad hoc committees or other bodies that met during these sessions. The *Index* is prepared by the Dag Hammarskjöld Library, Department of Public Information as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

The *Index* consists of three sections.

The first section contains information relating to organizational matters:

Sessional information, listing member States and their terms of office as well as the officers of the Council and providing information on rules of procedure and resolutions and decisions;

Subsidiary bodies and organs and programmes related to the Economic and Social Council to which members were elected or appointed during the 1992 sessions of the Council, listing the members and terms of office.

The second section consists of one part for each session which met during the year. Each part is subdivided as follows:

Check-list of meetings, listing the meetings of the Economic and Social Council and its sessional committees;

Agenda, listing matters considered by and brought before the Council and the subject headings under which these items appear in the Subject index;

Subject index, providing topical access to Economic and Social Council documentation arranged alphabetically by subject and listing documents considered under each item, meetings at which the items were considered and the action taken by the Council;

Index to speeches, providing access to speeches that were made before the Council. The Index is divided into three sections: corporate names/countries, speakers and subjects.

The third section contains consolidated information relating to resolutions, documents and reports:

List of resolutions, listing resolutions adopted by the Council and indicating for each session the resolution number, the subject and the meeting and date when the resolution was adopted;

List of documents, listing documents issued for the year 1992 and providing information on the republication of provisional documents in printed *Official Records*;

Reports of the sessional committees, listing, by subject, the reports on the items discussed in the committees.

SERIES SYMBOLS

In 1978 certain modifications were introduced in the citation and series symbols of the documents of the Economic and Social Council and its sessional committees. They are as follows:

(a) The sessions of the Council are formally identified as the organizational and substantive sessions of a particular calendar year, as prescribed in rule 1 of the rules of procedure of the Council;

(b) Special sessions, including subject-oriented sessions, are numbered consecutively within each year, and are identified as the first special session (year), second special session (year), etc;

(c) The sessional committees of the Council are designated as Economic Committee (formerly First (Economic) Committee), Social Committee (formerly Second (Social) Committee);

(d) Ad hoc sessional committees may be established as required and are described as ad hoc sessional committees on particular subjects;

(e) Resolutions and decisions are numbered on a yearly basis. Resolutions begin each year with 1, decisions start with 100. They are identified as resolution 1992/1, decision 1992/101, etc.;

(f) *Supplements* to the *Official Records* are numbered consecutively, with Supplements No. 1 and 1A containing the resolutions and decisions adopted during the year.

Symbols of documents of the Council and its sessional and ad hoc committees or other bodies consist of combinations as appropriate, of the following elements:

(a) The parent body (i.e. the Economic and Social Council): E/- ;

(b) The year of consideration;

(c) Sessional and ad hoc committees or other bodies: C.1, C.2, AC.1, AC.2, WG.1, WG.2, etc.

DOCUMENTATION OF THE ECONOMIC AND SOCIAL COUNCIL

Summary records of plenary meetings of the Economic and Social Council are first issued in provisional form for limited distribution. They are later combined in corrected form in a single printed volume of *Official Records* for the year.

In accordance with decision 1991/295, the Council decided, for a period of one year, to discontinue the issuing of summary records for its sessional committees: Economic Committee and Social Committee. Meeting records are, however, provided for the Committee on Economic, Social and Cultural Rights (E/C.12/1992/SR.1-23). These summary records are issued for general distribution, with any corrections consolidated in a single corrigendum.

All summary records may be identified by their symbol, which consists of the series symbol followed by SR. and then a number which corresponds to the number of the meeting. The 5th plenary meeting, for example, is cited as E/1992/SR.5 while the records of the 19th meeting of the Committee on Economic, Social and Cultural Rights is cited as E/C.12/1992/SR.19.

Some documents may later be printed as *Supplements* to the *Official Records* (and are so indicated in this index); others are issued only in provisional form.

Supports the request of the Committee on the Elimination of Discrimination against Women for additional meeting time and also supports the proposal that the 12th session of the Committee should be of 3 weeks' duration; recommends that 3 weeks be allocated for each subsequent session until the Committee removes its backlog in considering reports; strongly supports general recommendation 19 on violence against women, adopted by the Committee and calls on States parties to prepare their reports in accordance with this and other general recommendations; urges the Secretary-General to continue to widely publicize the decisions and recommendations of the Committee (adopted without vote, 40th meeting, 30 July 1992).

WOMEN'S ADVANCEMENT (AGENDA ITEM 18) (cont.)

E/RES/1992/18 Violence against women in all its forms.

Calls on Governments to recognize that the elimination of violence against women is essential to the achievement of equality for women and is a requirement for the full respect of human rights; urges Member States to adopt, strengthen and enforce legislation prohibiting violence against women and to take all appropriate administrative, social and educational measures to protect women from all forms of physical and mental violence; decides to convene an inter-sessional working group of the Commission on the Status of Women, open to all Member States and observer States, to further develop a draft declaration on violence against women, with a view to recommending a draft declaration to the General Assembly through the Economic and Social Council; requests Governments, international organizations, non-governmental organizations, other relevant bodies and academics to undertake research into the causes of violence against women; urges Governments to address the issue of violence against women at the 4th World Conference on Women: Action for Equality, Development and Peace, to be held in 1995, as one of the major obstacles to women's advancement (adopted without vote, 40th meeting, 30 July 1992).

E/RES/1992/19 Communications on the status of women.

Requests the Secretary-General to publicize widely among international and national organizations, in particular women's group, the existence and scope of the communication mechanisms of the Commission on the Status of Women; requests the Secretary-General to support the activities of the Commission in this area and those of the other bodies of the Council; reaffirms that the consideration by the Commission of the communications shall remain confidential; requests the Commission to consider ways of making the existing procedure for receiving and considering communications, including the standard of admissibility, more transparent and efficient (adopted without vote, 40th meeting, 30 July 1992).

E/RES/1992/20 Advancement of women and human rights.

Calls upon the Preparatory Committee for the World Conference on Human Rights, when preparing the agenda and studies for the World Conference, to take into account the existence of de facto as well as de jure discrimination, which continues to impede women's full enjoyment of their economic, social and cultural rights, as well as their civil and political rights; further calls upon the Preparatory Committee, in preparing for the examination by the World Conference of the main obstacles to the implementation of international human rights instruments, to pay adequate attention to the global problem of violence against women; invites the Centre for human rights and Member States, to make use of gender disaggregated data, which identify situations of inequality between women and men; requests the Secretary-General to guarantee the participation of the secretariats of the Commission on the Status of Women and the Committee on the Elimination of Discrimination against Women in the preparatory process for the World Conference as well as in the Conference itself; requests the Commission to establish, during its 37th session, an open-ended working group to consider its contribution to the World Conference (adopted without vote, 40th meeting, 30 July 1992).

E/RES/1992/21 International Research and Training Institute for the Advancement of Women.

Takes note of the programme budget of the Institute for the biennium 1992-1993, approved by the Board of Trustees at its 12th session, and the commencement of work in the areas of appraisal and evaluation of development strategies and programmes for the maximum impact on women and the long-term research project on methods for the measurement of the value of women's work, including that in the informal sector; recommends that the Institute concentrate on the identification of barriers to improvements in the status of women and the development of tools for the removal of those persistent obstacles to progress; calls upon States and intergovernmental and non-governmental organizations to contribute through voluntary contributions and pledges to the UN Trust Fund for INSTRAW, thus enabling the Institute to continue to respond effectively to its mandate (adopted without vote, 40th meeting, 30 July 1992).
