PART A. INTRODUCTION

1. General

Document A/INF/28, Addendum 1 and Addendum 2 (in preparation) constitute the Disposition of Agenda Items for the whole of the third regular session. For agenda items discussed in both parts of the session, the complete record is included in this document, so that the earlier record on these items in document A/INF/28 need not be consulted, except for Paris discussion concerning the agenda (item 7) and the admission of new Members (item 14).

The subject-index to statements for the entire third session will be published as document A/INF/28/Add.2.

2. Check list of documents

The check list of documents of the third regular session of the General Assembly will be included in the Check List of the United Nations Documents, Part 1, No. 2, which will be prepared for publication by the Documents Index Unit in due course.

3. Disposition of agenda items

The items dealt with during the second part of the third regular session of the General Assembly are arranged alphabetically in the form of a subject-index, containing, under appropriate subject headings, all documentation, discussion, and disposition by the General Assembly. References to records of meetings in Part D are made to meeting numbers only.

4. Resolutions

The resolutions adopted during the second part of the third regular session are collected in document A/900 (General Assembly Official Records, 3rd session, part 2, Resolutions).

PART B. CHECK LIST OF MEETINGS

The check list of meetings covers the records of the entire third session, so that reference to A/INF/28 is unnecessary.

1. Plenary Meetings 136 to 219

Meetings 1 to 67 were held during the first regular session (1946); meetings 68 to 79 during the first special session (1947); meetings 80 to 128 during the second regular session (1947); meetings 129 to 135 during the second special session (1948).

Mimeographed meeting records for the first part of the third session were issued for individual meetings in two series: Summary records (A/SR.) and verbatim records (A/PV.), numbered to correspond with meeting numbers.
