INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the forty-fifth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

This issue of the Index includes documents received through 31 July 1991. All other documents relating to the session will be included in the next issue of the *Index to Proceedings of the General Assembly*.

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the forty-fifth session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the forty-fifth session, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/45/62 is the sixty-second in the series of main documents of the forty-fifth session; A/INF/45/3 is the third in the information series; A/C.5/45/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's forty-fifth session, the symbols A/45/1 to A/45/49 are the *Supplements to the Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the forty-fifth session of the General Assembly bears the symbol A/45/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/45/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings are issued initially in provisional form for limited distribution and later for general distribution in corrected printed form as *Official Records*.

The verbatim records of the First Committee and the summary records of the other Main Committees of the General Assembly are issued in only one form (as *Official Records of the General Assembly*), and cover all discussions, whether substantive or procedural. Corrections to these meeting records are included in one *Sessional Fascicle* for each of the Main Committees, covering all meetings.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index). Some of the remaining documents, such as the reports of committees on various agenda items, are subsequently printed in *Annexes* to the *Official Records*.

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements* to the *Official Records of the Security Council*.

A/RES/45/58[G] Conventional disarmament.

Takes note of the recommendation of the Disarmament Commission that, taking into account the priorities in disarmament set out in the Final Document of the 10th Special Session of the General Assembly, the subject of conventional disarmament should continue to be actively pursued in UN as one significant contribution to the endeavours of the international community towards general and complete disarmament under effective international control; notes that the Disarmament Commission in its report expressed the view that, in addition to its deliberations on how to facilitate the process of conventional disarmament, it would be welcome if the Conference on Disarmament were to address the issue of conventional disarmament when practicable (adopted without vote, 54th meeting, 4 Dec. 1990).

Reaffirms the inalienable right of all peoples under colonial rule to self-determination and independence in accordance with the Declaration on the Granting of Independence to Colonial Countries and Peoples; declares that the continuation of colonialism in all its forms and manifestations, including racism and apartheid, is incompatible with the Charter of UN, the Declaration and the principles of international law; calls upon Member States, in particular colonial Powers, to take effective steps with a view to the complete, unconditional and speedy eradication of colonialism in all its forms; calls upon Member States to render, as a matter of urgency, all moral and material assistance to the peoples under colonial rule in their struggle to exercise their right to self-determination and independence; urges Member States to discontinue all economic, financial, trade and other relations with the racist minority regime of South Africa that run counter to the Declaration on Apartheid and its Destructive Consequences in Southern Africa; requests the administering Powers concerned to adopt the necessary measures to discourage or prevent any systematic influx of immigrants and settlers into the Territories under their administration; also requests the administering Powers to preserve the cultural identity, as well as the national unity, of the Territories under their administration; requests Member States, in particular the administering Powers, to adopt appropriate measures to prevent the recruitment, financing, training and transit of mercenaries in their Territories for use against the national liberation movements struggling for freedom and independence from the yoke of colonialism, racism and apartheid (adopted 124-2-21, 44th meeting, 20 Nov. 1990).

A/RES/45/34 Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

Affirms once again its recognition of the legitimacy of the struggle of the peoples under colonial and alien domination to exercise their right to self-determination and independence by all the necessary means at their disposal; condemns the activities of foreign economic and other interests which are impeding the implementation of the Declaration with respect to the colonial Territories; requests the Special Committee to continue to seek suitable means for the immediate and full implementation of General Assembly resolution 1514 (XV) in all Territories that have not yet attained independence and, in particular: (a) to formulate specific proposals for the elimination of the remaining manifestations of colonialism and to report thereon to the General Assembly at its 46th session; (b) to make concrete suggestions which would assist the Security Council in considering appropriate measures under the Charter with regard to developments in colonial Territories that are likely to threaten international peace and security; (c) to examine the compliance of Member States with resolution 1514 (XV) and other relevant resolutions on decolonization; (d) to pay special attention to the small Territories, in particular through the dispatch of visiting missions to those Territories whenever the Special Committee deems it appropriate; (e) to take all necessary steps to enlist world-wide support among Governments, as well as national and international organizations, for the achievement of the objectives of the Declaration (adopted 131-2-15, 44th meeting, 20 Nov. 1990).

A/RES/45/58[J] Prohibition of attacks
on nuclear facilities.

Appeals to States that participate
in the Conference on Disarmament to
overcome their differences, and urges
the cooperation of all States for the
successful resolution of this issue in
the near future; calls upon all States
to become parties to Additional
Protocol I of 1977 to the Geneva
Conventions of 12 Aug. 1949 and upon
all States parties to that Protocol to
consider, in the context of a possible
diplomatic conference, how to improve
the present regime with regard to the
protection of nuclear facilities;
notes that States, in their mutual
interest, have adopted
confidence-building measures, in a
bilateral or regional framework,
designed to promote the aim of
protecting nuclear facilities, taking
into account the specific
characteristics of each region, and
recognizes that other States may adopt
similar measures, where appropriate;
appeals to all States to take into
account, when reviewing their military
policies, the danger of radioactive
releases potentially resulting from an
attack on a nuclear facility (adopted
141-1-11, 54th meeting, 4 Dec. 1990).

A/RES/45/58[N] Charting potential uses

A/RES/45/147 Respect for the principles enshrined in the Charter of UN and international law in the fight against drug abuse and illicit trafficking.

Resolutions

A/RES/45/150 Enhancing the effectiveness of the principle of periodic and genuine elections.
Stresses, its conviction that periodic and genuine elections are a necessary and indispensable element of sustained efforts to protect the rights and interests of the governed and that, as a matter of practical experience, the right of everyone to take part in the government of his or her country is a crucial factor in the effective enjoyment by all of a wide range of other human rights and fundamental freedoms, embracing political, economic, social and cultural rights; declares that determining the will of the people requires an electoral process that provides an equal opportunity for all citizens to become candidates and put forward their political views, individually and in cooperation with others, as provided in national constitutions and laws; rejects the tricameral parliament established under the system of apartheid as an abhorrent expression of a fundamentally oppressive and flagrantly inhuman political system; requests the Secretary-General to seek the views of Member States, specialized agencies, other competent bodies of the UN system and those with specific expertise in this area concerning suitable approaches that will permit the Organization to respond to the requests of Member States for electoral assistance (adopted 129-8-9, 69th meeting, 18 Dec. 1990).

EXTERNAL DEBT (AGENDA ITEM 83) (cont.)

Resolutions

A/RES/45/214 International debt crisis and development: enhanced international cooperation towards a durable solution to the external debt problems of developing countries.
Stresses the need to continue to strive to achieve, through dialogue and shared responsibility, during the initial years of the present decade, a durable, equitable and mutually agreed growth-and development-oriented solution to the debt problems of developing countries; invites the multilateral financial institutions to provide support for debt and debt-service reduction packages; recognizes that increased cooperation between IMF and the World Bank and other multilateral financial institutions is welcomed but should not lead to cross-conditionality; emphasizes the need to provide substantial concessional resources to the developing countries and in that regard emphasizes that developed countries should implement their undertakings to attain the agreed international target of devoting 0.7 per cent of gross national product to official development assistance, as well as the agreed targets established at the 2nd United Nations Conference on the Least Developed Countries; recognizes that a durable solution to the debt problems involves, inter alia, a substantial improvement in the access of the products of developing countries to the markets of developed countries and in their terms of trade, as well as diversification of their exports, and reaffirms, in this context, the urgent need for a balanced and successful outcome of the Uruguay Round of multilateral trade negotiations; urges the multilateral financial institutions and the donor countries to take appropriate steps to assist effectively those developing countries adversely affected by the situation between Iraq and Kuwait; takes note the very useful efforts made by the Personal Representative of the Secretary-General on Debt in producing a wide-ranging analysis and in producing recommendations, and encourages Governments to give them appropriate consideration (adopted without vote, 71st meeting, 21 Dec. 1990).

Resolutions

A/RES/45/172 Situation of human rights
and fundamental freedoms in El
Salvador.

Expresses its profound satisfaction
with the Agreement on Human Rights,
adopted at San Jose on 26 July 1990,
during the 3rd round of talks between
the Government of El Salvador and the
Frente Farabundo Martí para la
Liberación Nacional (FMLN), which
constitutes the 1st substantive
agreement between the parties; urges
the Government of El Salvador and the
Frente Farabundo Martí para la
Liberación Nacional (FMLN) to make the
greatest possible effort to implement
all the political agreements announced
at Geneva and Caracas; expresses its
deep concern about the persistence of
politically motivated violations of
human rights in El Salvador, such as
summary executions, torture,
abductions and enforced
disappearances, and about the
atmosphere of intimidation in which
certain sectors of the population live
and that the capacity of the judicial
system continues to be unsatisfactory;
deplores, therefore, the
irregularities in the judicial
proceedings in connection with the
assassination of the Rector and other
members of the Central American
University in 1989 and the act of
cooperation on the part of certain
sectors of the armed forces which has
impeded full clarification of such an
abominable crime and the punishment of
the guilty persons; renews its appeal
to the competent organs and
organizations of the United Nations
system that they provide the advice
and assistance that the Government of
El Salvador may request in order to
enhance the promotion and protection
of human rights and fundamental
freedoms (adopted without vote, 69th

African Centre for Democracy and Human
Rights Studies at Banjul, as well as
the cooperation of the Centre with the
Economic and Social Commission for
Asia and the Pacific, the
International Institute of Human
Rights at Strasbourg and the
Inter-American Institute of Human
rights at Strasbourg and the
Inter-American Institute of Human
Rights at San Jose, and the technical
assistance provided by the Centre to
the Arab Institute for Human Rights at
Tunis; requests the Secretary-General
to continue encouraging these
developments; notes with interest in
this regard the announcement by the
Secretary-General in the proposed
medium-term plan for the period
1992-1997 that efforts would be made
to strengthen exchanges between UN and
regional intergovernmental bodies
dealing with human rights issues and
that it might be expected that during
the medium-term plan period more
national, regional and subregional
workshops and training courses would
be organized for administrators of
justice and government officials
engaged in the implementation of
international conventions on human
rights, and that more countries in all
regions of the world would develop
forms of cooperation and assistance
with the Centre for Human Rights, in
keeping with their specific needs;
invites States in areas where regional
arrangements in the field of human
rights do not yet exist to consider
agreements with a view to the
establishment within their respective
regions of suitable regional machinery
for the promotion and protection of
human rights (adopted without vote,

Condemns Israel's continued occupation of the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories; rejects all agreements and arrangements which violate the inalienable rights of the Palestinian people; determines that Israel's decision to annex Jerusalem and to declare it as its "capital" as well as the measures to alter its physical character, demographic composition, institutional structure and status are null and void and demands that they be rescinded immediately; strongly condemns the imposition by Israel of its laws, jurisdiction and administration on the occupied Syrian Arab Golan; calls upon all States to put an end to the flow to Israel of any military, economic, financial and technological aid, as well as of human resources; strongly condemns the continuing and increasing collaboration between Israel and the racist regime of South Africa; reaffirms its call for convening the International Peace Conference on the Middle East, under the auspices of UN, with the participation of the 5 permanent members of the Security Council and all parties to the conflict including PLO; endorses the call for setting up a preparatory committee, within the framework of the Security Council, with the participation of the permanent members of the Council, to take the necessary action to convene the Conference (adopted 99-19-27, 67th meeting, 13 Dec. 1990).

A/RES/45/83[B] The General Assembly.

Declares that Israel's decision to impose its laws, jurisdiction and administration on the occupied Syrian Arab Golan is illegal and therefore null and void and has no validity whatsoever; determines that all actions taken by Israel to give effect to its decision relating to the occupied Syrian Arab Golan are illegal and invalid and shall not be recognized; firmly emphasizes its demand that Israel, the occupying Power, rescind forthwith its illegal decision of 14 Dec. 1981 to impose its laws, jurisdiction and administration on the Syrian Arab Golan, which resulted in the effective annexation of that territory; calls upon all Member States to put an end to the flow to Israel of any military, economic, financial and technological aid, as well as human resources; calls upon the specialized agencies and other international organizations to conform their relations with Israel to the terms of the resolution (adopted 84-23-41, 67th meeting, 13 Dec. 1990).

A/RES/45/83[C] The General Assembly.

Determines that Israel's decision to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has no validity whatsoever; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980), and their refusal to comply with the provisions of that resolution; calls once more upon those States to abide by the provisions of the relevant UN resolutions (adopted 145-1-4, 67th meeting, 13 Dec. 1990).

impartially and with strictly

establishment of relief corridors;
invites the Secretary-General to
study, within existing resources, the
possibility of preparing an indicative
list of persons and bodies with expert
knowledge of the delivery and
management of emergency humanitarian
assistance whom UN could call upon, to

Resolutions

- A/RES/45/48 Implementation of General Assembly resolution 44/104 concerning the signature and ratification of Additional Protocol I of the Treaty for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (Treaty of Tlatelolco).
Deplores once again that the signature of Additional Protocol I by France, which took place on 2 Mar. 1979, has not yet been followed by the corresponding ratification, notwithstanding the time elapsed and the pressing invitations that the General Assembly has addressed to it; once more urges France not to delay any further such ratification, which has been requested so many times and which appears all the more advisable, since France is the only one of the 4 States to which the Protocol is open that is not yet party to it (adopted 141-0-3, 54th meeting, 4 Dec. 1990).

Urges all States, the specialized agencies and organizations of the UN system, as well as other international organizations, to extend their support to the Palestinian people through its sole and legitimate representative, the PLO; urgently appeals to all States, the UN system and other intergovernmental organizations to assist in the reconstruction and economic development of Namibia; calls for an immediate end to violence, and calls upon the South African regime to take urgent action to end it, specifically by dismantling the apartheid structures and ensuring that effective and impartial action is taken by its security forces, and calls upon all parties concerned to contribute to the establishment of a climate free of violence; demands the immediate application of the mandatory arms embargo against South Africa; strongly urges the international community to extend maximum assistance to Lesotho to enable it to fulfil its international humanitarian obligations towards refugees; demands that the racist regime of South Africa pay full and adequate compensation to Botswana for the loss of life and damage to property resulting from the unprovoked and unwarranted military attacks of 14 June 1985, 19 May 1986 and 20 June 1988 on the capital of Botswana; reaffirms all relevant resolutions adopted by OAU and UN on the question of Western Sahara; demands the immediate and unconditional release of all persons detained or imprisoned as a result of their struggle for self-determination and independence (adopted 113-15-23, 68th meeting, 14 Dec. 1990).

A/RES/45/131 Universal realization of the right of peoples to self-determination.

Resolutions

A/RES/45/73 UNRWA.

The resolution is divided into separate parts, 45/73 A-K.

A/RES/45/73[A] Assistance to Palestine refugees.

Reiterates its request that the headquarters of the Agency should be relocated to its former site within its area of operations as soon as practicable; notes with profound concern that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions, this increased level of income to the Agency is still insufficient to cover essential budget requirements in the present year and that, at currently foreseen levels of giving, deficits will recur each year; calls upon all Governments, as a matter of urgency, to make the most generous efforts possible to meet the anticipated needs of the Agency, particularly in the light of the budgetary deficit projected in the report of the Commissioner-General, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions (adopted 146-0-1, 65th meeting, 11 Dec. 1990).

A/RES/45/73[B] Working Group on the Financing of UNRWA.

Commends the Working Group on the Financing of UNRWA for its effort to assist in ensuring the Agency's financial security; requests the Working Group to continue its efforts, in cooperation with the Secretary-General and the Commissioner-General, for the financing of the Agency for a further period of one year (adopted without vote, 65th meeting, 11 Dec. 1990).

A/RES/45/73[C] Assistance to persons displaced as a result of the June 1967 and subsequent hostilities.

Endorses the efforts of the Commissioner-General of UNRWA to provide humanitarian assistance as far as practicable, on an emergency basis and as a temporary measure, to other persons in the area who are at present displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously for the above purposes to UNRWA and to other intergovernmental and non-governmental organizations concerned (adopted without vote, 65th meeting, 11 Dec. 1990).
