INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the forty-seventh session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the forty-seventh session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the forty-seventh session, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/47/62 is the sixty-second in the series of main documents of the forty-seventh session; A/INF/47/3 is the third in the information series; A/C.5/47/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's forty-seventh session, the symbols A/47/1 to A/47/49 are the *Supplements to the Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the forty-seventh session of the General Assembly bears the symbol A/47/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/47/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings are issued initially in provisional form for limited distribution and later for general distribution in corrected printed form as *Official Records*.

The verbatim records of the First Committee and the summary records of the other Main Committees of the General Assembly are issued in only one form (as *Official Records of the General Assembly*), and cover all discussions, whether substantive or procedural. Corrections to these meeting records are included in one *Sessional Fascicle* for each of the Main Committees, covering all meetings.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index). Some of the remaining documents, such as the reports of committees on various agenda items, are subsequently printed in *Annexes* to the *Official Records*.

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements* to the *Official Records of the Security Council*.

PEACE-KEEPING OPERATIONS (AGENDA ITEM 75)
(cont.)

Resolutions

A/RES/47/71 Comprehensive review of the whole question of peace-keeping operations in all their aspects.
Requests the Secretary-General to promote the establishment on a voluntary basis among Member States of a pool of resources, including military units, military observers, civil police, key staff personnel and humanitarian materiel, that might be made readily available to UN peace-keeping operations, subject to national approval; stresses the need for UN to be given resources commensurate with its growing responsibilities in the area of peace-keeping; considers it important that, in establishing future peace-keeping operations, financial questions should continue to be studied seriously, particularly at the planning stage, in order to ensure the most cost-effective and efficient conduct of such operations and strict control of their expenditures; emphasizes the importance of making, a clear distinction between peace-keeping operations themselves, and the provision to States and parties to a conflict, at their request, of other assistance from the specialized agencies and departments of UN not an integral part of the operation; invites the Secretary-General, to consider the strengthening and reform of the Secretariat units dealing with peace-keeping operations; invites the Secretary-General to institute arrangements for providing additional personnel on a short-term basis in order that the Secretariat can respond effectively and efficiently to fluctuations in its workload; invites the Secretary-General to envisage the adoption of all necessary arrangements to define logistics doctrine and standard operational procedures combining civilian and military aspects in order to achieve maximum efficiency and cost-effectiveness (adopted without vote, 85th meeting, 14 Dec. 1992).

A/RES/47/72 Protection of peace-keeping personnel.

Resolutely condemns any hostile actions against UN personnel, including deliberate attacks against UN peace-keeping operations; strongly demands that host countries and all parties to a conflict take all measures possible to ensure the safety of peace-keeping and other UN personnel; requests the Secretary-General, in planning future peace-keeping operations and in making recommendations for their deployment, to give particular attention to adequate protection for peace-keeping and other UN personnel; recommends that the Security Council might make it clear to the parties when authorizing a new peace-keeping operation that it is prepared to take further steps in accordance with the Charter of UN should the purpose of the operation systematically be frustrated by provocative attacks against UN personnel; requests the Special Committee on Peace-Keeping Operations to study other measures to ensure the safety of peace-keeping and other UN personnel and to report thereon to the General Assembly (adopted without vote, 85th meeting, 14 Dec. 1992).

SELF-DETERMINATION OF PEOPLES (AGENDA ITEM
92) (cont.)

A/RES/47/83 Universal realization of
the right of peoples to
self-determination.

Declares its firm opposition to acts
of foreign military intervention,
aggression and occupation, since these
have resulted in the suppression of
the right of peoples to
self-determination and other human
rights in certain parts of the world;
calls upon those States responsible to
cease immediately their military
intervention and occupation of foreign
countries and territories and all acts
of repression, discrimination,
exploitation and maltreatment,
particularly the brutal and inhuman
methods reportedly employed for the
execution of these acts against the
peoples concerned; deplores the plight
of the millions of refugees and
displaced persons who have been
uprooted as a result of the
aforementioned acts, and reaffirms
their right to return to their homes
voluntarily in safety and honour;
requests the Commission on Human
Rights to continue to give special
attention to the violation of human
rights, especially the right to
self-determination, resulting from
military intervention, aggression or
occupation (adopted without vote, 89th
meeting, 16 Dec. 1992).

A/RES/47/84 Use of mercenaries as a
means to violate human rights and to
impede the exercise of the right of
peoples to self-determination.

Condemns the recruitment, financing,
training, assembly, transmit and use
of mercenaries, as well as all other
forms of support to mercenaries, for
the purpose of destabilizing and
overthrowing the Governments of
African States and of other developing
States and fighting against the
national liberation movements of
peoples struggling for the exercise of
their right to self-determination;
urges all States to take the necessary
steps and to exercise the utmost
vigilance against the menace posed by
the activities of mercenaries and to
ensure, by both administrative and
legislative measures, that the
territory of those States and other
territories under their control, as
well as their nationals, are not used
for the recruitment, assembly,
financing, training and transit of
mercenaries, or for the planning of
activities designed to destabilize or
overthrow the Government of any State
and to fight the national liberation
movement; calls upon all States to
extend humanitarian and other
assistance to victims of situations
resulting from the use of mercenaries,
as well as from colonial or alien
domination or foreign countries
(adopted 118-10-36, 89th meeting, 16

Resolutions

A/RES/47/69 UNRWA.

The resolution is divided into separate parts, A/RES/47/69 A-K.

A/RES/47/69[A] Assistance to Palestine refugees.

Reiterates its request that the headquarters of the Agency should be relocated to its former site within its area of operations as soon as practicable; notes that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions, this increased level of income to the Agency is still insufficient to cover essential budget requirements in the present year and that, at currently foreseen levels of giving, deficits will recur each year; calls upon all Governments to make the most generous efforts possible to meet the anticipated needs of the Agency, particularly in the light of the budgetary deficit projected in the report of the Commissioner-General, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions; decides to extend the mandate of the Agency until 30 June 1996 (adopted 136-O-2, 85th meeting, 14 Dec. 1992).

A/RES/47/69[B] Working Group on the Financing of UNRWA.

Commends the Working Group on the Financing of UNRWA for its efforts to assist in ensuring the financial security of the Agency; requests the Working Group to continue its efforts, in cooperation with the Secretary-General and the Commissioner-General, for the financing of the Agency for a further period of 1 year (adopted without vote, 85th meeting, 14 Dec. 1992).

A/RES/47/69[C] Assistance to person displaced as a result of the June 1967 and subsequent hostilities.

Endorses the efforts of the Commissioner-General of UNRWA to continue to provide humanitarian assistance as far as practicable, on an emergency basis and as a temporary measure, to other persons in the area who are at present displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously for the above purposes to UNRWA non-governmental organizations concerned (adopted without vote, 85th meeting, 14 Dec. 1992).
