INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the forty-eighth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library, Department of Public Information, as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the forty-eighth session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the forty-seventh session, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/48/62 is the sixty-second in the series of main documents of the forty-eighth session; A/INF/48/3 is the third in the information series; A/C.5/48/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's forty-eighth session, the symbols A/48/1 to A/48/49 are the *Supplements* to the *Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the forty-eighth session of the General Assembly bears the symbol A/48/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/48/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings and of the First Committee, as well as the

summary records of the other Committees are issued in only one form, as *Official Records of the General Assembly*. Corrections are issued after the end of each session in consolidated corrigenda.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index).

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements* to the *Official Records of the Security Council*.

ARMS RACE--OUTER SPACE (AGENDA ITEM 70)
(cont.)

- A/RES/48/74[A] Prevention of an arms race in outer space.
Reaffirms the importance and urgency of preventing an arms race in outer space and the readiness of all States to contribute to that common objective, in conformity with the provisions of the Treaty on Principles Governing the Activities of States in the Exploration and Use of Outer Space, including the Moon and Other Celestial Bodies; reaffirms its recognition, as stated in the report of the Ad Hoc Committee on the Prevention of an Arms Race in Outer Space, that the legal regime applicable to outer space by itself does not guarantee the prevention of an arms race in outer space, that this legal regime plays a significant role in the prevention of an arms race in that environment, that there is a need to consolidate and reinforce that regime and enhance its effectiveness, and that it is important strictly to comply with existing agreements, both bilateral and multilateral; calls upon all States, in particular those with major space capabilities, to contribute actively to the objective of the peaceful use of outer space and of the prevention of an arms race in outer space and to refrain from actions contrary to that objective and to the relevant existing treaties in the interest of maintaining international peace and security and promoting international cooperation; requests the Conference on Disarmament to consider as a matter of priority the question of preventing an arms race in outer space (adopted 169-0-1, 81st meeting, 16 Dec. 1993).

HUMAN RIGHTS--EL SALVADOR (AGENDA ITEM 114C)
(cont.)

Resolutions

A/RES/48/149 Situation of human rights in El Salvador.

Expresses concern that some important elements of the agreements have been only partially implemented, and calls upon the Government of El Salvador and FMLN to step up their efforts to complete the programme for the transfer of land, the reintegration programme for ex-combatants, the deployment of the National Civil Police and the phasing-out of the National Police, as well as the collection of weapons issued for the exclusive use of personnel of the Armed Forces and the adoption of the Act on Private Security Services; condemns the recent acts of violence that may be politically motivated and supports, in this context, the efforts of the Secretary-General and the Government of El Salvador, to initiate immediately an impartial, independent and credible investigation of illegal armed groups; notes that the human rights situation in El Salvador continues to evolve in a somewhat ambivalent fashion, since there continue to be signs of improvement but violations persist, particularly as regards the right to life; urges all States, as well as the international financial and development institutions to provide financial contributions to support the fulfilment of the Peace Accords, including the National Reconstruction Plan; urges the Government of El Salvador and all other institutions involved in the electoral process to adopt the necessary measures to ensure the elections in Mar. 1994 are, representative and authentic (adopted without vote, 85th meeting, 20 Dec. 1993).

Resolutions

A/RES/48/143 Rape and abuse of women
in the areas of armed conflict in the

Strongly condemns the rape and abuse
of women and children in areas of

with the perpetrators; urges Member

to justice, in accordance with due
process, all individuals involved in
those outrageous international crimes;

A/RES/48/153 Situation of human rights
in the Territory of the former
Yugoslavia: violations of human
rights in the Republic of Bosnia and

international humanitarian law in
Bosnia and Herzegovina, Croatia and
the Federal Republic of Yugoslavia
(Serbia and Montenegro) by all sides

that the international community shall
exert every effort to bring them to
justice; urges that an immediate and
be brought to the practice of "ethnic
cleansing"; reaffirms the right of all
persons to return to their homes in
safety and dignity, considers invalid
all acts made under duress affecting
ownership of property and other
related questions, and recognizes the
right of victims of "ethnic cleansing"
to receive just reparation for their
losses; calls for the immediate
closure of all detention facilities
not in compliance with the Geneva
Conventions of 12 Aug. 1949; urges all
parties to notify immediately the
International Committee of the Red

international and regional
organizations be granted immediate,
unimpeded access to such places;

INTERNATIONAL TRADE (AGENDA ITEM 91A) (cont.)

A/RES/48/55 International Trade and development.

Emphasizes the importance of follow-up and monitoring of the implementation of the policies and measures contained in the Cartagena Commitment; notes the conclusions derived from the debate of the Trade and Development Board on the international implications of macroeconomic policies and issues concerning global interdependence; recognizes that trade liberalization by all countries is an important tool for increasing economic efficiency and improving resource allocation, economic growth and sustainable development for the benefit of all countries; urges all countries to resolve all outstanding differences in all areas of the negotiations in order to ensure a successful conclusion of the Uruguay Round of multilateral trade negotiations; strongly urges all participants in the Uruguay Round of multilateral trade negotiations to complete the Round by 15 Dec. 1993; stresses that the ability of many developing countries to mobilize the resources needed to finance investments required for sustainable development may be impaired by tariff and non-tariff impediments, including tariff escalation, limiting their access to export markets, and also that a comprehensive and balanced conclusion to the Uruguay Round of multilateral trade negotiations would help all countries mobilize financing for sustainable development; emphasizes that an open, equitable, secure, non-discriminatory and predictable multilateral trading system that is consistent with the goals of sustainable development and that leads to the optimal distribution of global production in accordance with comparative advantage is of benefit to all trading partners (adopted without vote, 75th meeting, 10 Dec. 1993).

A/RES/48/167 International code of conduct on the transfer of technology.

Recognizes that the conditions do not currently exist to reach full agreement on all outstanding issues in the draft code of conduct on the transfer of technology and also that, should Governments indicate, either directly or through the Secretary-General of UNCTAD reporting in accordance with General Assembly resolution 46/214 of 20 Dec. 1991, that there is the convergence of views necessary to reach agreement on all outstanding issues, then the Trade and Development Board should re-engage and continue its work aimed at facilitating agreement on the code; invites the Secretary-General of UNCTAD based on the relevant provisions of the Cartagena Commitment and taking into account the findings of the ad hoc Working Group on the Interrelationship between Investment and Technology Transfer, to report to the General Assembly at its 50th session on the state of the discussion (adopted without vote, 86th meeting, 21 Dec. 1993).

A/RES/48/168 Economic measures as a means of political and economic coercion against developing countries.

Resolutions

A/RES/48/58 Middle East peace process.

Welcomes the peace process started at Madrid and supports the subsequent bilateral negotiations; stresses the importance of, and need for, achieving a comprehensive, just and lasting peace in the Middle East; Expresses its full support for the achievements of the peace process thus far, in particular the Declaration of Principles on Interim Self-Government Arrangements signed by Israel and the PLO and the Agreement between Israel and Jordan on the Common Agenda, which constitute an important initial step in achieving a comprehensive, just and lasting peace in the Middle East, and urges all parties to implement agreements reached; stresses the need for achieving rapid progress on the other tracks of the Arab-Israeli negotiations within the peace process; welcomes the results of the International Donors Conference to Support Middle East Peace, convened in Washington, D.C., on 1 Oct. 1993, and the establishment of the high-level UN task force to support the economic, financial and technical assistance to the Palestinian people during the interim period; calls upon all Member States also to extend economic, financial and technical assistance to States in the region, and to render support for the peace process (adopted 155-3-1, 79th meeting, 14 Dec. 1993).

A/RES/48/59 The situation in the Middle East.

The resolution is divided into 2 parts, A/RES/48/59 A-B.

A/RES/48/59[A] Jerusalem.

Determines that Israel's decision to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980); calls once more upon those States to abide by the provisions of the relevant UN resolutions (adopted 141-1-11, 79th meeting, 14 Dec. 1993).

A/RES/48/59[B] Syrian Golan.

Declares that Israel has failed so far to comply with Security Council resolution 497 (1981); declares once more that Israel's decision to impose its laws, jurisdiction and administration on the occupied Syrian Golan is illegal and therefore null and void; declares that the Knesset decision of 11 Nov. 1991 annexing the occupied Syrian Golan constitutes a grave violation of Security Council resolution 497 (1981) and therefore is null and void; declares all Israeli policies and practices of annexation of the occupied Arab territories since 1967, including the occupied Syrian Golan, to be illegal and in violation of international law and of the relevant UN resolutions; firmly emphasizes once more its demand that Israel rescind forthwith its illegal decision of 14 Dec. 1981 to impose its laws, jurisdiction and administration on the Syrian Golan, and its decision of 11 Nov. 1991, which resulted in the effective annexation of that territory; demands once more that Israel withdraw from the occupied Syrian Golan (adopted 65-2-83, 79th meeting, 14 Dec. 1993).

Notes the Concluding Statement made by the President of the Amendment Conference at the special meeting of the States parties to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water, held on 10 Aug. 1993, in which broad agreement was found for: (a) pursuing work for a comprehensive test ban in the Amendment Conference and the Conference on Disarmament in a mutually supportive and mutually complementary manner; (b) holding another special meeting early in 1994 to review developments and assess the situation regarding a comprehensive test ban and to examine the feasibility of resuming the work of the Amendments Conference later that year; (c) promoting universality of a comprehensive test ban, by having the President of the Amendment Conference liaise closely with the Conference on Disarmament and the 5 nuclear-weapon States; recommends that arrangements should be made to ensure the fullest possible participation of non-governmental organizations in the Amendment Conference; reiterates its conviction that, pending the conclusion of a comprehensive nuclear-test-ban treaty, the nuclear-weapon States should suspend all nuclear-test explosions through an agreed moratorium or unilateral moratoria (adopted 118-3-45, 81st meeting, 16 Dec. 1993).

Resolutions

A/RES/48/41 Report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories.

The resolution is divided into separate parts, A/RES/48/41 A-D.

A/RES/48/41[A]

Demands that Israel cooperate with the Special Committee in implementing its mandate; deplores the policies and practices of Israel violating the human rights of the Palestinian people and other Arabs of the occupied territories, as reflected in the reports of the Special Committee covering the reporting period; requests the Special Committee, pending complete termination of the Israeli occupation, to continue to investigate Israeli policies and practices in the occupied Palestinian territory, including Jerusalem, and other Arab territories occupied by Israel since 1967, to consult, as appropriate, with the International Committee of the Red Cross according to its regulations in order to ensure that the welfare and human rights of the peoples of the occupied territories are safeguarded and to report to the Secretary-General as soon as possible and whenever the need arises thereafter; further requests the Special Committee to continue to investigate the treatment of prisoners in the occupied Palestinian territory, including Jerusalem, and other Arab territories occupied by Israel since 1967; requests the Secretary-General: (a) to provide all necessary facilities to the Special Committee; (b) to continue to make available such additional staff as may be necessary to assist the Special Committee in the performance of its tasks; (d) to ensure the widest circulation of the reports of the Special Committee and of information regarding its activities and findings, by all means available, through the Department of Public Information of the Secretariat (adopted 93-2-65, 75th meeting, 10 Dec. 1993).

A/RES/48/41[B]

Reaffirms that the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 Aug. 1949, is applicable to the occupied Palestinian territory, including Jerusalem, and other Arab territories occupied by Israel since 1967; demands that Israel accept the de jure applicability of the Convention in the occupied Palestinian territory, including Jerusalem, and other Arab territories occupied by Israel since 1967, and that it comply scrupulously with the provisions of the Convention; calls upon all States parties to the Convention to exert all efforts in order to ensure respect for its provisions by Israel, the occupying Power, in the occupied Palestinian territory, including Jerusalem, and other Arab territories occupied by Israel since 1967 (adopted 152-1-6, 75th meeting, 10 Dec. 1993).

A/RES/48/41[C]

Demands that Israel, the occupying Power, facilitate the return of all Palestinians deported from the occupied Palestinian territory since 1967; calls upon Israel, the occupying Power, to accelerate the release of all Palestinians arbitrarily detained or imprisoned; calls for complete respect by the occupying Power of all fundamental freedom of the Palestinian people, such as the freedom of education, including the free operation of schools, universities and other educational institution; reaffirms that the Israeli settlements in the occupied Palestinian territory, including Jerusalem, and the other Arab territories occupied by Israel since 1967 are illegal and an obstacle to peace (adopted 106-2-48 75th meeting, 10 Dec. 1993).

A/RES/48/41[D]

Determines that all legislative and administrative measures and actions taken or to be taken by Israel, the occupying Power, that purport to alter the character and legal status of the occupied Syrian Golan are null and void, constitute a flagrant violation of international law and of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 Aug. 1949, and have no legal effect; denounces attempts by Israel forcibly to impose Israeli citizenship and Israeli identity cards on the Syrian citizen in the occupied Syrian Golan, and calls upon it to desist from its repressive measures against the population of the occupied Syrian Golan; calls once again upon Member States not to recognize any of the legislative or administrative measures and actions referred to above (adopted 85-1-68, 75th meeting, 10 Dec. 1993).

UN--CALENDAR OF MEETINGS (1993-1994) (AGENDA
ITEM 126) (cont.)

A/RES/48/222[A]

Approves the draft calendar of conferences and meetings of UN for the biennium 1994-1995 as submitted and amended by the Committee on Conferences; authorizes the Committee on Conferences to make adjustments in the calendar of conferences and meetings for 1994 as necessary; also invites UNICEF and UNDP to consider dispensing with summary records; requests the chairmen of the relevant organs and subsidiary bodies of the General Assembly to propose to Member States, at the beginning of each session, the adoption of time-limits for speakers; renews its requests to the Secretariat to bring to the attention of all organs information on the notional costs per hour of meeting time and on the notional cost per page of documentation; reiterates its view, expressed in section VIII of its resolution 44/201 A of 21 Dec. 1989, on the desirability of the establishment of unified conference services at Vienna; notes the coordination of conference activities and the agreement reached with regard to establishing a systematic exchange of information and language staff to promote effective utilization of conference staff; emphasizes that decisions to convene world conferences should take into account the impact on the capacity of the UN system to provide conference services; requests the Secretary-General to review the legal basis and experience of all subsidiary bodies that meet away from their established headquarters (adopted without vote, 87th meeting, 23 Dec. 1993).

A/RES/48/222[B]

Expresses concern about the late issuance and distribution of documentation, including summary and verbatim records of UN bodies; requests the Secretary-General to submit to the General Assembly at its 49th session an analytical report on the factors that contribute to this situation; encourages all bodies currently entitled to written meeting records to review the need for such records, particularly verbatim records, and to communicate their recommendations to the General Assembly at its 49th session; requests the Secretary-General to take all necessary measures to ensure that documents are submitted by author departments in compliance with the ten-week rule in order to permit processing on time in all official languages; invites intergovernmental bodies and their members to review their agendas with a view, inter alia, to combining agenda items and limiting requests for pre-session documentation; expresses its deep concern regarding the economy measures announced by the Secretary-General on 26 Aug. 1993 in the context of the financial crisis without prior consultation with Member States, those measures being in contradiction with the principle of equal treatment of the official languages of UN as laid down in resolution 42/207 C (adopted without vote, 87th meeting, 23 Dec. 1993).

UNRWA--ACTIVITIES (AGENDA ITEM 85) (cont.)

A/RES/48/40[A] Assistance to Palestine refugees.

Requests that the headquarters of the Agency should be transferred as soon as practicable to its area of operations; notes that the new context created by the Israeli-Palestinian accord of 13 Sept. 1993 will have major consequences for the activities of the Agency, which is henceforth called upon, within the framework of strengthened cooperation with the specialized agencies and the World Bank, to make a decisive contribution towards giving a fresh impetus to the economic and social stability of the occupied territories, and notes also that the functioning of the Agency remains essential throughout its area of operations; welcomes the results of the International Donors Conference to Support Middle East Peace, held on 1 Oct. 1993, concerning urgent financial and economic assistance in support of the Israeli-Palestinian accord, and urges all Member States to extend aid and assistance with a view to the economic development of the occupied territories; notes with profound concern that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions, the increased level of income to the Agency is still insufficient to cover essential budget requirements in the current year and that, at the currently foreseen levels of contribution, deficits will recur each year; calls upon all Governments, as a matter of urgency, to make the most generous efforts possible to meet the anticipated needs of the Agency, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions (adopted 159-0-2, 75th meeting, 10 Dec. 1993).

A/RES/48/40[B] Working Group on the financing of UNRWA.

Commends the Working Group on the Financing of UNRWA for its efforts to assist in ensuring the financial security of the Agency; requests the Working Group to continue its efforts, in cooperation with the Secretary-General and the Commissioner-General, for the financing of the Agency for a further period of 1 year (adopted without vote, 75th meeting, 10 Dec. 1993).

A/RES/48/40[C] Assistance to persons displaced as a result of the June 1967 and subsequent hostilities.

Endorses the efforts of the Commissioner-General of UNRWA to continue to provide humanitarian assistance as far as practicable, on an emergency basis and as a temporary measure, to other persons in the area who are at present displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously for the above purposes to UNRWA and to the other intergovernmental and non-governmental organizations concerned (adopted without vote, 75th meeting, 10 Dec. 1993).

A/RES/48/40[D] Offers by Member States of grants and scholarships for higher education, including vocational training, for Palestine refugees.

Strongly appeals to all States, specialized agencies and non-governmental organizations to augment the special allocations for grants and scholarships to Palestine refugees, in addition to their contributions to the regular budget of UNRWA; appeals to all States, specialized agencies and UN University to contribute generously to the Palestinian universities in the Palestinian territory occupied by Israel since 1967, including, in due course, the proposed University of Jerusalem "Al-Quds" for Palestine refugees; requests the Agency to act as the recipient and trustee for the special allocations for grants and scholarships and to award them to qualified Palestine refugee candidates (adopted, 161-0-1, 75th meeting, 10 Dec. 1993).

A/RES/48/40[E] Palestine refugees in the Palestinian territory occupied by Israel since 1967.

Demands that Israel desist from the removal and resettlement of Palestine refugees in the Palestinian territory occupied by Israel since 1967 and from the destruction of their shelters; requests the Commissioner-General of UNRWA to address the acute situation of the Palestine refugees in the Palestinian territory occupied by Israel since 1967 and accordingly to extend all the services of the Agency (adopted 157-2-0, 75th meeting, 10 Dec. 1993).

UNRWA--ACTIVITIES (AGENDA ITEM 85) (cont.)

A/RES/48/40[F]. Return of population displaced since 1967.

A/RES/48/40[G]. Revenues derived from Palestine refugees' properties.

Requests the Secretary-General to take all appropriate steps, in consultation with the UN Conciliation Commission for Palestine, for the protection of Arab property, assets and property rights in Israel and to establish a fund for the receipt of income derived therefrom, on behalf of the rightful owners; calls once more upon Israel to render all facilities and assistance to the Secretary-General in the implementation of the present resolution; calls upon the Governments of all the other Member States concerned to provide the Secretary-General with any pertinent information in their possession concerning Arab property, assets and property rights in Israel, which would assist the Secretary-General in the implementation of the present resolution (adopted 114-2-44, 75th meeting, 10 Dec. 1993).

A/RES/48/40[H]. Protection of Palestine refugees.

Holds Israel responsible for the security of the Palestinian refugees in the occupied Palestinian territory, including Jerusalem, and calls upon it to fulfil its obligations as the occupying Power in this regard; urges the Secretary-General and the Commissioner-General of UNRWA to continue their efforts in support of the upholding of the safety and security and the legal and human rights of the Palestine refugees in all the territories under Israeli occupation since 1967; calls once again upon Israel to desist forthwith from acts of aggression against the Lebanese and Palestinian population in Lebanon; demands that Israel, the occupying Power, release forthwith all arbitrarily detained Palestine refugees, including the employees of UNRWA; calls once again upon Israel to compensate the Agency for damages to its property and facilities resulting from the invasion of Lebanon by Israel in 1982, without prejudice to the responsibility of the latter for all damages resulting from that invasion, as well as for other damages resulting from the policies and practices of Israel, the occupying Power, in the occupied Palestinian territory (adopted 153-2-6, 75th meeting, 10 Dec. 1993).

A/RES/49/40[I]. University of Jerusalem "Al-Quds" for Palestine refugees.

Emphasizes the need for strengthening the educational system in the Palestinian territory occupied by Israel since 5 June 1967, including Jerusalem, and specifically the need for the establishment of the proposed university; requests the Secretary-General to continue to take all necessary measures for establishing the University of Jerusalem "Al-Quds"; calls once more upon Israel, the occupying Power, to cooperate in the implementation of the present resolution and to remove the hindrances that it has put in the way of establishing the University of Jerusalem "Al-Quds" (adopted 156-2-2, 75th meeting, 10 Dec. 1993).

Condemns the repeated Israeli raids on the premises and installations of UNRWA and calls upon Israel, the occupying Power, to refrain from such raids; deplores the policy and practices of Israel, the occupying Power, which have led to the prolonged closure of educational and vocational institutions, a large number of which are operated by the Agency, and the repeated disruption of medical services (adopted 159-2-0, 75th meeting, 10 Dec. 1993).
