INTRODUCTION

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the fifty-sixth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library, Department of Public Information, as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the fifty-sixth session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records;*

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the fifty-sixth session, indicating the number and title of each resolution, the meeting number and date, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/56/62 is the sixty-second in the series of main documents of the fifty-sixth session; A/INF/56/3 is the third in the information series; A/C.5/56/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's fifty-sixth session, the symbols A/56/1 to A/56/49 are the *Supplements* to the *Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the fifty-sixth session of the General Assembly bears the symbol A/56/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/56/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings and of the First Committee, as well as the summary records of the other Committees are issued in only one form, as *Official Records of the General Assembly*. Corrections are issued after the end of each session in consolidated corrigenda.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index).

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements* to the *Official Records of the Security Council*.
