DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/65/34 is the thirty-fourth in the series of main documents of the sixty-fifth session; A/INF/65/3 is the third in the information series; A/C.5/65/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's sixty-fifth session, the symbols A/65/1 to A/65/53 are the Supplements to the Official Records of the General Assembly for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the sixty-fifth session of the General Assembly bears the symbol A/65/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/65/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings and of the First Committee, as well as the summary records of the other Committees are issued in only one form, as Official Records of the General Assembly. Corrections are issued after the end of each session in consolidated corrigenda.

Of the other documents, a few appear as printed Supplements to the Official Records (this is noted in the index).

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed Supplement to the Official Records of each session. After their republication in the Official Records, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/-symbols) are republished only in the Supplements to the Official Records of the Security Council.
