INTRODUCTION

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the twenty-eighth special session of the General Assembly devoted to a commemoration of the sixtieth anniversary of the liberation of the Nazi concentration camps. The Index is prepared by the Dag Hammarskjöld Library, Department of Public Information, as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

It consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

Index to speeches, providing access to speeches made during the session. It is subdivided into three sections: corporate names/countries, speakers and subjects.

Speakers' names are based on information found in United Nations documents. To submit a name correction, please send an e-mail to Library-ny@un.org

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/S-28/2 is the second in the series of main documents of the twenty-eighth special session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the twenty-eighth special session of the General Assembly bears the symbol A/S-28/PV.1.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings and of the First Committee, as well as the summary records of the other Committees are issued in only one form, as *Official Records of the General Assembly*. Corrections are issued after the end of each session in consolidated corrigenda.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index).

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

HOW TO OBTAIN DOCUMENTS

Printed documentation of each session of the General Assembly may be obtained or purchased from authorized sales agents by providing the following information:
