EXPLANATORY NOTE

1. This Index to Proceedings of the 11th session of the Trusteeship Council is intended to offer a bibliographical guide to the discussion and documentation of the meetings. Being a sessional index it does not include standing committees or ad hoc committees meeting between sessions. However, because of the close relation of its work to each specific session, the Standing Committee on Petitions is included. The index consists of the following parts:

Part A. Introduction

This part includes check lists of meetings, giving, in tabular form, meeting numbers, dates of meetings, publication of the records, and relevant United Nations Press releases.

Part B. Agenda

The items on the agenda are listed in part B, with references to the relevant subject headings used in part C.

Part C. Subject index

The subjects dealt with during the session are arranged alphabetically in the subject index. In this index will be found, under appropriate subject headings, references to the documentation, discussions, and to the disposition of each item. The agenda item number is indicated in parentheses following the subject heading.

Part D. Index to speeches

Speeches by representatives are listed in part D. The remarks of the President of the Council and of chairmen of committees are normally not indexed. However, the speeches of chairmen or rapporteurs of committees are indexed when they present or explain the reports of their committees to the Council. The index is arranged in alphabetical order by country or organization, subdivided by subject discussed and names of speakers, with the indication of the meeting at which the speech was made. Meetings are identified by the word "Plen." or an abbreviation for the Committee, followed by the meeting number.

Part E. Numerical list of documents

This is a list of the documents included in this index, arranged by document symbols.

2. Official Records

All the summary and verbatim records of plenary and committee meetings of the Trusteeship Council appear first in mimeographed form. Summary or verbatim records of plenary meetings are later printed as separate fascicles in the Official Records of the session, whereas summary records of committee meetings remain in mimeographed form. Of the other documents, some appear initially, as printed supplements to the Official Records—a fact always indicated in this index—but all the rest are first issued in mimeographed form. Most of them are subsequently printed in the annexes to the Official Records, where they are grouped into fascicles according to agenda item numbers. The resolutions adopted by the Council, which have first been issued in mimeographed form, have been collected in the printed Supplement No. 1 to the Official Records of this session. Since their republication in the Official Records, the provisional documents described above are no longer available in their mimeographed form.

The printed material concerning a specific item on the agenda of the 11th session of the Trusteeship Council may easily be obtained after consulting this index and requesting:

Trusteeship Council Official Records, 11th Session

For summary records fascicles: Plenary Meetings. (specify meeting number)
For documents: Supplement No. . . . (specify supplement number) or
For documents: Annexes, Agenda Item . . . (specify agenda item number)
For resolutions: Supplement No. 1.
