# Explanatory Note

## SCOPE

1. This *Index*, prepared by the Documentation Division of the United Nations Headquarters Library, New York, is intended to offer a bibliographical guide to the proceedings and documentation of the 38th regular session of the Trusteeship Council as well as of its committees which met during the session.

## ARRANGEMENT

2. The *Index* consists of the following parts:

(a) Introduction, including list of the Officers and check lists of meetings of the Trusteeship Council;

(b) Agenda, with reference to the relevant subject headings used in Part (c);

(c) Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussion, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings. Names of delegations are noted in parentheses following the meeting number whenever statements are made on a subject not scheduled as an agenda item or on a subject referred to in the general debate in plenary meetings;

(d) Index to speeches. Speeches and statements by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed and by name of speaker, with an indication of the meeting at which the speech was made. The remarks of the President of the Trusteeship Council and of chairmen of committees are normally not indexed. However, the speeches of the chairmen or rapporteurs are included when they present or explain the reports of the respective committees to the Council. Statements and speeches made by

private individuals representing an organization to which a hearing was granted are listed under the name of the organization. Statements made by officers of the United Nations Secretariat are listed under the name of the Office or Department they represented;

(e) Numerical list of documents, arranged by document symbols.

## AVAILABILITY OF DOCUMENTS

3. In accordance with a decision taken at the 36th session of the Trusteeship Council meeting records of the Council are issued only as verbatim records in provisional form with corrigenda provided as appropriate to cover substantive corrections submitted by delegations. They may be identified by their symbol (T/PV.-) as indicated in the introduction (*see* Check list of meetings), followed by an ordinal number corresponding to that of the meeting (e.g. T/PV.1371).

Of the other documents, a few appear only as printed *Supplements* to the *Official Records* (a fact always noted in this Index).
