# Explanatory Note

## SCOPE

1. This index, prepared by the Documentation Services Division of the Dag Hammarskjöld Library at United Nations Headquarters, is intended to offer a bibliographical guide to the proceedings and documentation of the forty-fifth regular session of the Trusteeship Council as well as of its committees which met during the session.

## ARRANGEMENT

2. The index consists of the following parts:

(a) Introduction, including list of officers and check-lists of meetings of the Trusteeship Council;

(b) Agenda, with reference to the relevant subject headings used in Part (c):

(c) Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussion, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings. Names of delegations are noted in parentheses following the meeting number whenever statements are made on a subject not scheduled as an agenda item;

(d) Index to speeches. Speeches and statements by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed and by name of speaker, with an indication of the meeting at which the speech was made. Statements and speeches made by private individuals representing an organization to which a hearing was granted are listed under the name of the organization. Statements made by officers of the United Nations Secretariat are listed under the name of the office or department they represented;

(e) Numerical list of documents, arranged by document symbols.

## AVAILABILITY OF DOCUMENTS

3. In accordance with a decision taken at the thirty-sixth session of the Trusteeship Council meeting records of the Council are issued only as verbatim records in provisional form with corrigenda provided as appropriate to cover substantive corrections submitted by delegations. They may be identified by their symbol (T/PV.~) as indicated in the introduction (see Checklist of meetings), followed by an ordinal number corresponding to that of the meeting (e.g., T/PV.1470).

Of the other documents, a few appear only as printed Supplements to the Official Records (a fact always noted in this Index). The rest are issued in mimeographed form. Some of these are later printed as Annexes in the Sessional Fascicle to the Official Records. The decisions adopted by the Trusteeship Council are collected in printed Supplement No.1 to the Official Records of the session.

4. Printed documentation of this session of the Trusteeship Council may be obtained, or purchased from authorized sales agents, by requesting:

Trusteeship Council, Official Records, forty-fifth session:
