INTRODUCTION

The Trusteeship Council is assigned under the Charter of the United Nations to supervise the administration of Trust Territories which are placed under the International Trusteeship System. The Council meets annually and holds special sessions when required.

The Index to Proceedings of the Trusteeship Council is a guide to the documentation and proceedings of the Trusteeship Council. This issue covers the nineteenth special session as well as the fifty-sixth regular session.

The nineteenth special session of the Trusteeship Council was held at the request of the United States, in order to consider the dispatch of a visiting mission to observe current conditions in Palau, Trust Territory of the Pacific Islands.

ARRANGEMENT OF THE INDEX

The Index to each session is arranged as follows:

Check-list of meetings, listing the meetings for the session and the dates they were held.

Agenda, listing matters considered by and brought before the Council together with the subject headings under which these items are listed in the subject index.

Subject Index, providing topical access to Trusteeship Council documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, meetings at which the items were considered and the action taken on each item.

Index to speeches, providing access to speeches that were made before the Trusteeship Council. The Index is subdivided into three sections: speeches by corporate names/countries, speakers and subjects.
